Their song list features many of the greats, including Chuck Berry, Buddy Holly, Roy Orbison, Jay and the Americans, Frankie Valli and the Four Seasons, and the Buckingham, along with some Motown. Trust us, you'll be dancing and singing along to the oldies May 4.

This will be my last article as president of the club. I have been thinking quite a bit about my final message to you. I believe the word “unprecedented” would be appropriate to describe the last two years.

In spite of all the challenges, your club has continued strong. The Board was successful in utilizing different ways to communicate with you. When we could not meet in person, we used Zoom meetings to maintain our connection with members. We managed to hold outdoor events each and every week. Plus, we found a great new venue for our in-person monthly meetings when we were able to start up again.

Things almost seem “normal” right now (whatever that means). Life is about change; to grow and learn, we all must continue to change.

I would like to thank the Board members who served during the past two years. Also, thanks to trip/event leaders and coordinators who continue to volunteer. Your efforts keep the club strong. We continue to need volunteers at all levels of the organization. If you participate in any of the club’s events and activities, please consider volunteering.

Detailed instructions for the upcoming election are included in this issue. Please be sure to take the time to vote. If you have email, the best way for you to vote is online.

I hope to see you at the May meeting. We welcome Do-Wa-Wa for our dance. Guests are welcome for \$10.

Regards, Joyce

**From the Vice President

SUMMER BIKE RIDES

We are now preparing for the summer bike riding season. Thank you to everybody who volunteered to lead a bike ride last year and to those of you who have already volunteered to lead a bike ride this season. There are still many open dates.

We usually ride on Sunday afternoons but are open to other days and times. We ask leaders to map out routes of 12-15 miles or more. Along with the bike ride leader, we also have a “sweep” to help monitor the group and assist in case of emergency. After each ride, we meet for food, drink and camaraderie.

To schedule your date, please contact **Jim Stephens** at (262) 694-2115 or jstephens3@wi.rr.com.

LET'S GO MOUNTAIN BIKING --

something new for the Vagabonds

The club is forming its first-ever mountain biking group. If you are a mountain biker and want to ride with others mid-week during the day to avoid the crowds, this could be your ticket. All ability levels are welcome, from those relatively new to the sport to seasoned riders. (If you are a beginner, some experience is needed as we will not be teaching how to ride.)

Whether you're slow or speedy, prefer to jump or roll, attack “features” or bypass “obstacles,” you are welcome to join in the fun. We'll sort ourselves out by ability level or interest and head out in groups.

We will hit the trails Thursday mornings for 1.5 to 2 hours, **gathering at 9:45** to sort into groups, with wheels rolling at 10. (When the summer heat comes, the start time will be earlier.) **The first outing will be May 19 at Minooka Park.** Bring your mountain bike, helmet and water. Bring a picnic lunch, too, if you want to join in post-ride revelry.

If you are interested or have questions, please text or phone **Vicki at (302) 528-6222.** We'll create a contact list to communicate weather cancellations or other information. Hoping to see you for the first outing, May 19 at Minooka Park.

Create a Safe Password

So how do you choose a secure password? Here are some tips from expert Shelly Lott.

Make it Long -- Make your password at least 12 characters long. The longer, the better. Most reputable websites will require a minimum number of characters, but you may be allowed to use even more. If so, you should.

I have been a member of the Vagabond club for six years and have been the Sporting Activities Director for the past two years. I have thoroughly enjoyed working with the friendly, helpful, hardworking team on the Board as well as all the event leaders. I would

like to continue with the success of the club, and to encourage more people to get involved as volunteers and bring in new ideas. I am running for a second term on the board and ask for your vote.

Jan Breitbach

I have been a member since 2011 and been Membership Director since 2015. I have enjoyed working with all the members and would like to continue serving the club. I would appreciate your vote.

Denise Kremel

I have been a member of the Vagabonds since 2005. I have previously served on the board as Sporting Activities Director and Vice President. I have continued to run a yearly weekend bike trip. I have also run many other events over the years. I decided it was

time for me to run for the board again to help our club move forward. My hope is others will also volunteer to help our board of directors. It would be an honor to serve on the board again.

2023 Ski Trips

We have decided on three Epic Pass locations for next season's weeklong ski trips. ...

Crested Butte:

Friday, Jan. 6 - Thursday, Jan. 12, Plaza Condo

Breckenridge:

Friday, Feb. 10 - Friday, Feb. 17,
Village at Breckenridge Condo

Park City:

Saturday, March 11 - Saturday, March 18,
Snowflower Condo

In addition, for those who are interested in a European trip, we will offer the Chicago Metropolitan Ski Council trip to **Ischgl, Austria**, Jan. 27-Feb. 8. This trip will include a week of skiing plus a side trip.

Ski trips cannot happen without trip leaders. Do you have the time to devote to running a trip? Do you have good planning and organization skills and are able to use (or learn) the club management software? If so, we need you to volunteer to run a trip next year! If you haven't run a trip before, consider being a co-leader to learn the ropes.

Questions about the Vagabond ski program? Contact Joyce at (262) 886-9328 or jszulc@wi.rr.com.

Create a Safe Password *continued from page 6*

Mix It Up -- Use a combination of upper- and lower-case letters, numbers and special characters. Some websites require you to incorporate a variety of the three. Even if a site doesn't, you should still mix it up.

Leave Personal Information Out -- Nearly 60% of adults have used personal information in a password. Avoid meaningful names and dates in your passwords. A hacker could find your personal information on a social media site and use it to guess your passwords.

Use a Password Generator -- Use a password generator to generate a secure, random password. Companies including Norton and Avast have password generators. If you use a password manager, most of them include a password generator within the program.

Never Use Old Passwords -- Do not reuse old passwords, and don't choose a password that is similar to something you have used in the past. Always choose a new, completely unique password.
